HELP SHAPE VIRGINIA'S TRANSPORTATION FUTURE

FY2009-2014 Six-Year Improvement Program
Working Draft Final Public Hearings*

The Commonwealth Transportation Board (CTB) invites your comments about essential rail, public transportation, commuter services, bicycle, pedestrian and highway projects in the Fiscal Year 2009-2014 Six-Year Improvement Program (SYIP) to be approved by the CTB in June. Comments will also be received regarding proposed allocations for the Federal Transportation Enhancement Program, Statewide Maintenance Program, Statewide Rail and Statewide Transit. Comments will also be received on the proposed scope of work for the Statewide Rail and Statewide Transit plans.

All projects in the SYIP that are eligible for federal funding will be included in the Statewide Transportation Improvement Program (STIP), which documents how Virginia will obligate its share of federal funds.

You can review the working draft FY 2009-2014 SYIP on VirginiaDOT.org and at VDOT district and residency offices after April 16, 2008. For information on the statewide rail and transit plans, visit www.drpt.virginia.gov.
