I. CONTRACT AMOUNT AND TERM

The initial contract term shall be for a period of three (3) years, renewable for up to two (2) successive one-year periods. The compensation of this contract is estimated to be \$3,000,000 (to be divided among qualified firms). The effective date of the contract will be determined at time of award.

II. PURPOSE

The Department of Rail and Public Transportation (DRPT), an agency of the Commonwealth of Virginia, is issuing this Request for Proposal (RFP) to solicit sealed proposals from qualified single entities or a team of firms offering as one single entity to establish a contract through competitive negotiation for the purchase of General Financial Consultant Services related to DRPT's programs, projects, and initiatives. **It is the intent of DRPT to award to multiple qualified firms.**

III. BACKGROUND

DRPT was created in 1992. Its mission is to improve the mobility of people and goods while expanding transportation choices in the Commonwealth. DRPT consists of the Director's office, an Operations Division, a Communications Division, and Finance and Administration.

DRPT's Operations Division assists passenger rail operations, freight rail operations, planning and special projects. Passenger and freight rail operations involve coordinating with both public and private entities to enhance rail operations, planning and development. Rail Planning involves providing input on state and federal rail policy and regulations, track abandonment, freight and passenger rail feasibility analysis, identification of freight rail needs, and updates to state rail studies, maps and plans. Rail special projects include demand analysis for passenger rail studies, rail capacity analysis, and coordinating with local and regional transportation authorities on rail modeling issues and intermodal studies.

The Operations Division also assists more than 40 public transit agencies, 50 human service providers and 15 commuter assistance agencies that combined carry nearly 700,000 Virginians to work every day in something other than their own cars. Transit demand management services are provided through a unique partnership between DRPT, fifteen local commuter assistance programs, Metropolitan Planning Organizations, various Transportation Management Associations (TMAs) and the Virginia Department of Transportation (VDOT). DRPT also provides technical and financial support to local commuter assistance agencies through grant programs, research, training, and marketing assistance.

The Finance and Administration Division is responsible for administering agency funds that empower our grantees to deliver efficient, effective transportation services. DRPT has a complex accounting environment utilizing 15 funds to account for 2000 open grants and projects involving the activities of approximately 75 grantees. DRPT is a funding and technical assistance participant in projects that combine federal, state, and local funding.

Background, continued

Revenues for fiscal year 2018 (July 1, 2017 – June 30, 2018) are estimated to be \$689.0 million. Approximately \$143 million annually is received for the transit and congestion management programs from a legislatively mandated share of taxes (retail sales tax and motor vehicle fuel sales tax) and fees (DMV registration fees). Rail activities receive a share of the motor vehicle rental tax totaling about \$19 million annually. Additional long term funding was created under HB 3202. The new legislation provided 2 cents of the recordation tax to the transit operating program in fiscal year 2009 which amounts to approximately \$31.0 million annually. The General Assembly provided additional revenues to rail and transit in the 2013 session. HB 2313 increased State Sales and Use tax which provides approximately \$77.0 million to transit and \$51.0 million to Rail annually. DRPT oversees \$50 million in federal funding primarily through the Federal Railroad Administration and the Federal Transit Administration under § 5303 (Metropolitan Planning Organizations), § 5304 (Statewide Planning and Research), § 5307 (Large Urban Cities), § 5309 (Major Capital Investments – New Starts Programs), § 5310 (Elderly and Disabled Persons), and § 5311 (Rural and Small Urban).

The agency budget of \$689.0 million for fiscal year 2018 is allocated as follows: \$216.7 million to rail related activities, \$458.4 million to transit & congestion management activities, and \$13.9 million to agency administration. All disbursement and grant/project budgeting activities are accounted for utilizing an internally developed system - the Invoice Creation And Processing System (ICAPS). The main benefits of ICAPS are real-time financial reporting, project/grant budgeting capabilities, and an integrated financial and procurement system. The agency's financial transactions are exported on a daily basis for actual payment processing to CARDINAL which is the official financial system of the state of Virginia. CARDINAL is maintained and overseen by the Department of Accounts (DOA), and as such DRPT is subject to the accounting rules and regulations as promulgated by DOA. Additionally, finance and administration works within the auspices of the Department of Planning and Budget (DPB) and the Department of the Treasury in regards to budgeting and treasury activities.

Finance and Administration's core financial duties are to perform the following:

- Develop and implement a six-year plan of allocations (Commonwealth Transportation Board (CTB) approved)
- Develop and monitor the annual budget (CTB approved)
- Project and task order budgeting
- Revenue collection and cash management
- Process expenditures and payroll
- Financial reporting
- Perform Grantee Compliance Reviews and External/Internal Audits

IV. STATEMENT OF NEEDS

The Offeror shall furnish all labor, materials, etc. These functions include: Internal Control Assessment, Financial Planning and Analysis, and Other Financial Services. DRPT does not require the use of licensed professionals to perform the services to be provided.

1. Internal Control Assessment

- Conduct an agency-level assessment of internal controls for significant financial processes including testing of the effectiveness of the agency-level controls.
- Conduct a process and transaction-level internal control assessment using Strengths, Weaknesses/Limitations, Opportunities, and Threats (SWOT) analysis and including testing of the transaction-level controls.

3. Other Financial Services

V. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS

GENERAL REQUIREMENTS

1. RFP Response - In order to be considered for selection, Offerors must submit a complete sealed written response to this RFP. One manually signed original, three hardcopies, marked as copy, and one flashdrive of the proposal shall be submitted to the Agency. Each copy of the proposal shall be bound in a single volume. No other distribution of the written proposal shall be made by the Offeror. Proposals must be received at the following location by September 5, 2017 at 3pm.

Commonwealth of Virginia
Department of Rail and Public Transportation
600 East Main Street, Suite 2102
Richmond, VA 23219

In addition, the Offeror may be required to make a subsequent oral presentation detailing how the Offeror would approach the specific program objectives outlined in the Statement of Needs.

2. Written Proposal Preparation

- A. Proposals shall be signed by an authorized representative of the Offeror. All information requested should be submitted. Failure to submit all information requested may result in the DRPT requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals, which are substantially incomplete or lack key information, may be rejected by DRPT at its discretion.
- B. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross-references the RFP requirements. Information which the Offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
- C. Proposals should be prepared simply and economically, providing straightforward concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be on completeness and clarity of content. Each copy of the proposal should be in a single volume where practical. Elaborate brochures and other representations beyond that sufficient to present a complete and effective proposal are neither required nor desired. **No proposal, in its entirety, should exceed 100 pages one-sided.**

SPECIFIC PROPOSAL REQUIREMENTS

Proposals should be as thorough and detailed as possible so that DRPT may properly evaluate the Offerors capabilities to provide the required services. Offerors are required to submit the following items in order for their proposal to be considered complete.

RFP Cover Sheet – The RFP Cover Sheet (Page 2 of this RFP) shall be completely filled out and signed as required.

Tab 1 Understanding of Work and Plan for Providing Services – The Offeror must provide a detailed description of its understanding of the services to be provided with descriptions of the approach and procedures employed on similar projects elsewhere. The Offeror must describe the process it will follow to respond to a specific purchase order request from DRPT. The Offeror should also describe the management procedures it will follow to oversee work by its personnel and work by Subofferors on multiple purchase orders simultaneously.

Tab 2 Experience and Qualifications – The Offeror must describe the skills and qualifications it has available to perform the various types of tasks described in the Statement of Needs. The key personnel who could be assigned to these various tasks should be identified. DRPT recognizes that due to the long term, open-ended nature of the agreement that will be issued as the result of this RFP, Offerors will not be able to guarantee that all of the individuals identified in the proposal will be available for assignment when a specific purchase order request is issued. The Offeror must therefore demonstrate that it has sufficient personnel with the various types of skills needed to staff the purchase orders when needed. The Offeror shall provide all of the following information concerning its Company, Subofferors and personnel qualifications.

- A.** A detailed statement indicating the organizational structure under which the firm proposes to conduct business. If more than one firm is involved in this project, state the type of arrangement between the firms and the percentage of work to be performed by each.
- B.** A list of the key personnel including Subofferors who could be assigned to the various tasks identified. Give the relevant experience record of each and include resumes and any certifications.
- C.** A list of references to include name, address, telephone number, project, and amount of project.

SPECIFIC PROPOSAL REQUIREMENTS, continued

Tab 3 Virginia Department of Minority Business Enterprise (DMBE/SWAM) Participation – The Offeror shall indicate the percentage of DMBE/SWAM participation and specify the types of work to be performed by DMBE/SWAM Subofferor. In order to be considered for the selection of this Request for Proposals, the Offeror must submit six copies of the Small Business Subcontracting Plan. A blank copy of this document is included as **Attachment C**.

All DMBE/SWAM Offerors or Subofferor must be certified with the Virginia Department of Minority Business Enterprise. If the DMBE/SWAM is not certified they must demonstrate that they are eligible to be certified, and they must receive such certification prior to the solicitation due date. The Virginia Department of Minority Business Enterprise can be contacted at (804) 786-6585. The DMBE/SWAM goal for this contract is **20 percent**; if the DMBE/SWAM is the Prime Offeror, the Offeror will receive full credit for planned involvement.

Tab 4 Contact Person – The primary Offeror must identify the name, telephone number and e-mail address for the contact person who will be responsible for coordinating the efforts and personnel of all parties and/or Subofferor involved in the proposal.

Tab 5 Staffing and Pricing Plan – Offerors shall identify all staff positions by person and actual hourly rates (base rate, overhead and profit listed separately along with the total rate) in the Price Schedule (**Attachment D**) for the three potential services described in the Statement of Needs, and listed pursuant to Tab 2. Final pricing/rates will be addressed in the negotiation phase.

VI. EVALUATION AND AWARD CRITERIA

A. EVALUATION CRITERIA - Multiple consultant teams will be qualified and selected by DRPT's Selection Committee as a General Financial Consultant (GFC) for rail and public transportation programs, projects, and initiatives based on the following weighted criteria:

The Commonwealth reserves the right to make multiple awards as a result of this solicitation. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous. (§ 2.2-4359(D), *Code of Virginia*.) Should the Commonwealth determine in writing and in its sole discretion that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that Offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and of the Consultant's proposal as negotiated. In the event there is a conflict between the Offeror's proposal and the requirements, terms, and conditions of the solicitation, the requirements, terms, and conditions of the solicitation shall apply.

VII. REPORTING AND DELIVERY REQUIREMENTS

A. MEETINGS AND REVIEWS - DRPT shall hold an initial conference with the Offeror at a place and time selected by DRPT for the purpose of reviewing the Offeror's schedules, procedures, methods, and to clarify any ambiguities that may then exist. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. - M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

Said compensation shall be determined by one of the following methods:

Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Purchasing Agency or with the performance of the contract generally.

P. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. Deliveries against this contract shall usually be free of Federal excise and transportation taxes. The Commonwealth's excise tax exemption registration number is 54-73-0076K.
