Pre-Bid Conference Questions and Answers *Conference held on December 12, 2011*

Pages 3 and 4 of the IFB document mention deviations from any of the specifications in the Technical Response. When are they due to DRPT?

They are due prior to the bid close date so that DRPT staff has ample time to review them and decide whether the deviations are acceptable by the bid submission date.

Will the bids be evaluated on the basis of the base price only?

Yes. However, DRPT reserves the right to negotiate the options.

Is it mandatory that the bus orders under this IFB be processed through eVA?

Yes.
