

DRPT's Draft FY21 Agency Budget Will Be Available Soon

The preparation of the DRPT FY2021 Budget has been delayed due to the COVID-19 Pandemic. During a normal year, the budget for the following fiscal year is finalized in the spring. This year, the revenues available to DRPT were still uncertain at that time. We anticipate that a draft budget for FY 2021 will be completed in October of 2020.
